

Atom, molecule, organelle, Cell, Tissue, Organ, Organ System, Organism

We of course will start the human race with Adam

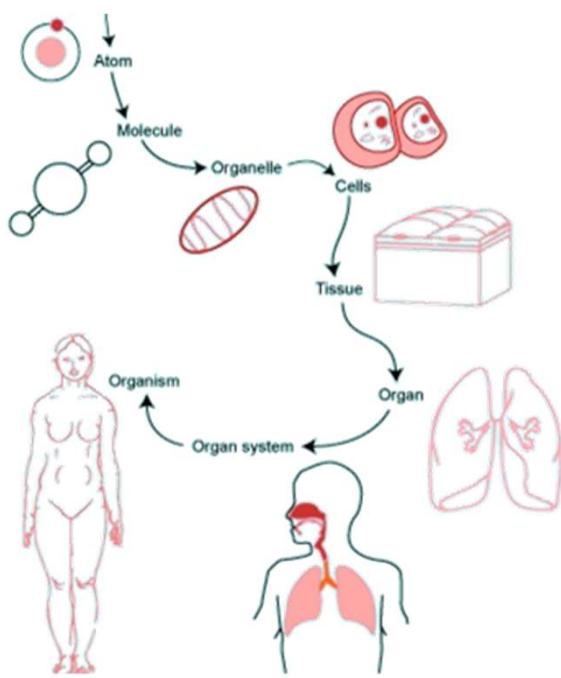

# Molecule

# Maul Q

Who got booted out of the Garden of Eden and was so hungry that he started mauling a stick so his mouth looks like the letter Q

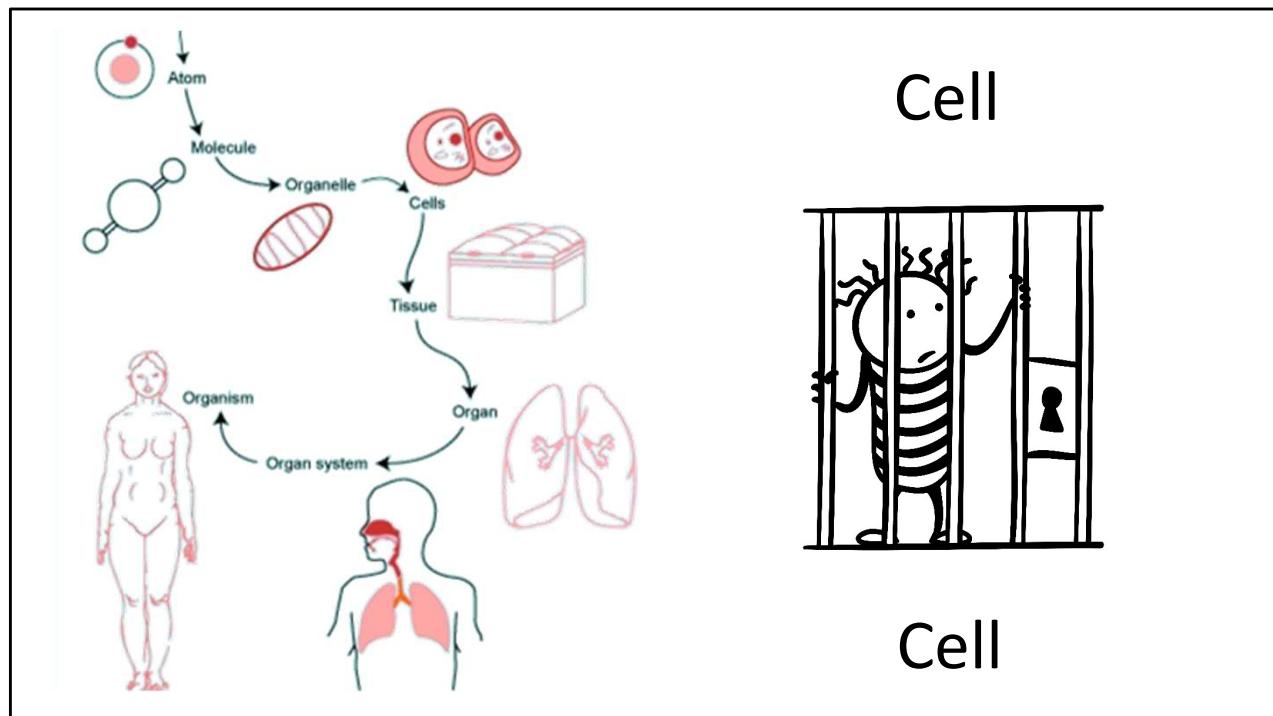

## Organelle

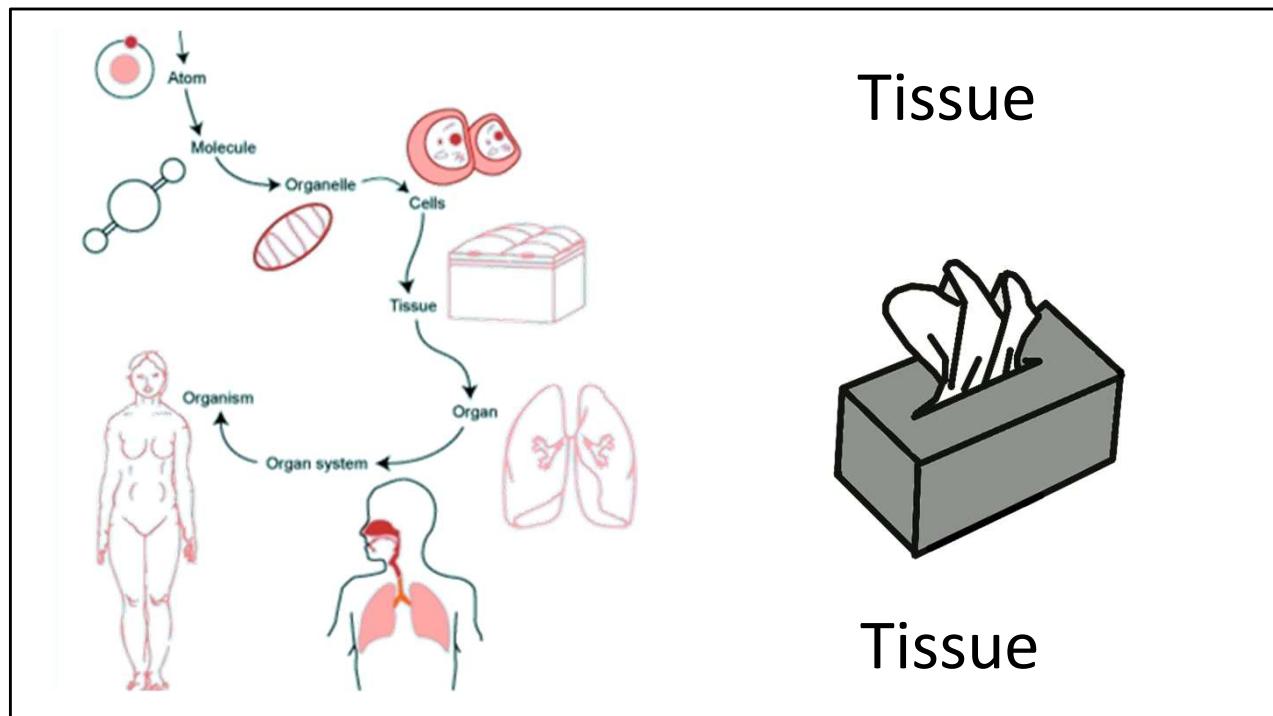

## Organ L

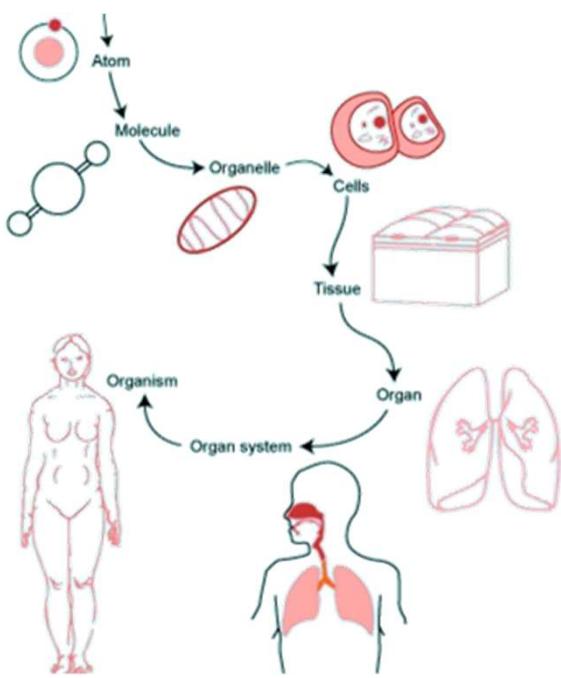

The stick turns out to be an 'L' shaped pedal from the organ

So Adam got arrested and put into a prison cell

He was so sad that he used up lots of boxes of tissues

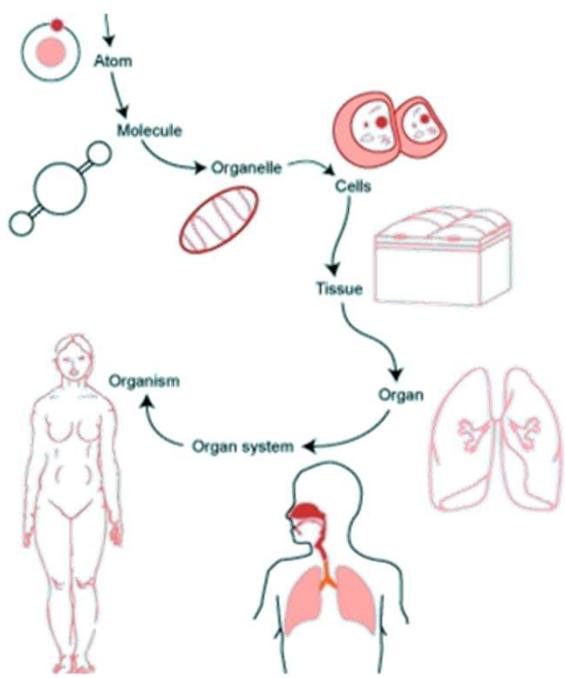

Organ

Organ

But he was still forced to fix the organ  
before he can be released

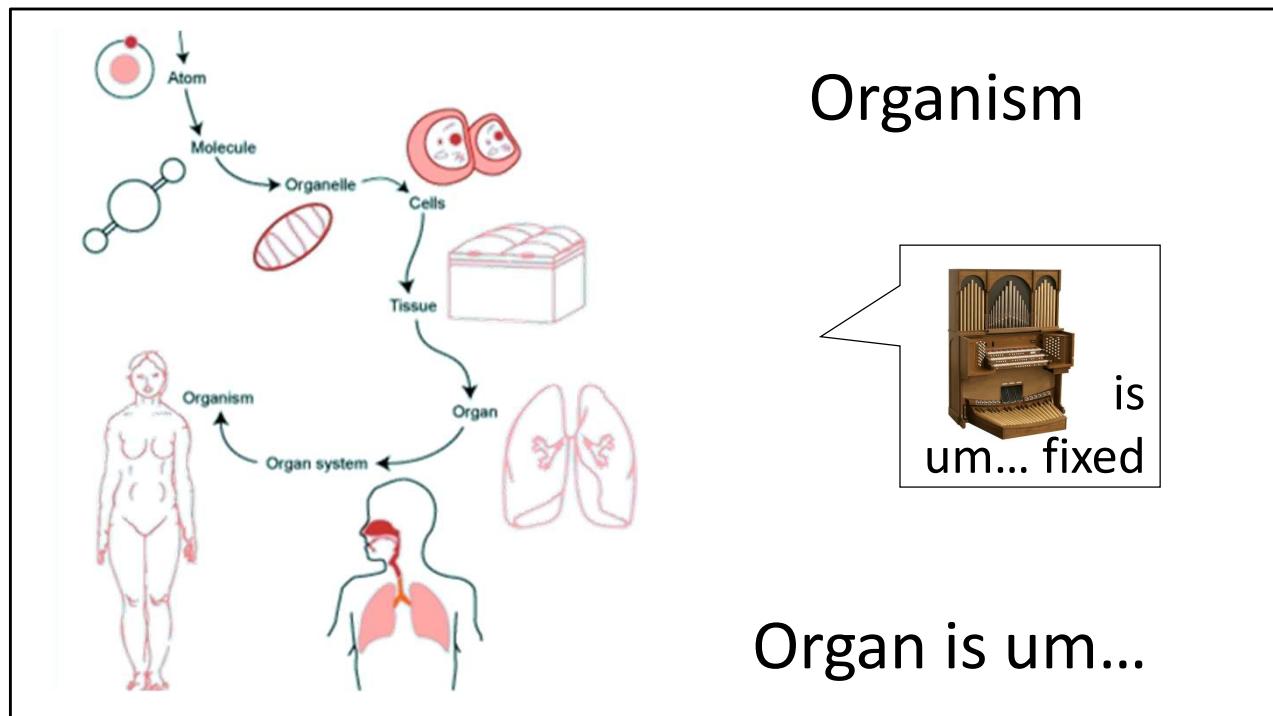

System

Sis Stem

His sister is trying to help by bringing the a flower stem to the guard

And she lies to the guard and says, “The organ is um... fixed. Yes, the organ is um... fixed.”

Atom: Adam

Molecule: Mauled with the mouth in the shape of a “Q”,

Organelle: the organ with L shaped pedal

Cell: was put into a prison cell

Tissue: where he needs to use tissues

Organ: to restore the organ

System: but Sis came with a stem

Organism: and says, the organ is um...
